Full Service Menu

Safety Check £30^{+VAT}

This is just a check over for safety, no adjustments are done. A Bike MOT. It will tell you if your bike is safe & what work needs to be done.

Bronze Service £50^{+VAT} | Disc Hydraulic £60^{+VAT}

This is a basic service, recommended for bikes with low usage or just a pre race service.

Silver Service £80^{+VAT} | Disc Hydraulic £90^{+VAT}

A more comprehensive service, recommended for bikes in regular use.

Gold Service £130^{+VAT} | Disc Hydraulic £140^{+VAT}

A complete strip down and re-build. The Premium service. This is essential at least once a year for high mileage bikes particularly if ridden in harsh conditions

Platinum Service £185^{+VAT} | Disc Hydraulic £195^{+VAT}

A complete strip down and re-build. The Ultimate service. This is the Top Service for protection & longevity at least once a year for high mileage bikes particularly if ridden in extreme weather conditions.
